

## Cognito iQ Smart Forms

### Enabling Cognito iQ Mobile customers to create their own forms within the mobile workflow

Our unique Smart Form technology allows you to create and amend Electronic Data Capture Forms, Surveys and Questionnaires as and when you need them; replacing paper based forms and eliminating 3rd party development costs.

Some examples of Smart Forms include:

Risk Assessments

Sales Leads

Certificates

Check Lists

Customer Feedback

Damage Reports

Audits

#### The benefits:

- Significantly reduces the cost and effort associated with creating bespoke mobile workflows
- The ability to respond quickly to business and compliance needs as they change
- Drives data capture and improves accuracy of data
- Reduces time spent completing and administering paper forms
- Returns structured, accurate information available to office staff on completion

# Cognito iQ Smart Forms

## Features & Benefits

Feature	Explanation	Benefits
<b>BOLT-ON FEATURE</b>	Smart Forms are created outside your mobile workflow	<ul style="list-style-type: none"><li>Forms can be developed and tested in a 'sand boxed' environment</li><li>Low Risk deployment and minimal risk to workflow</li></ul>
<b>USER INTUITIVE</b>	<ul style="list-style-type: none"><li>Users are directed to complete relevant sections</li><li>Forms are pre-populated with task data</li><li>Assesses data for errors and validates information</li><li>Calculates values to enable decision making e.g. Risk</li></ul>	<ul style="list-style-type: none"><li>Optimises relevant data capture</li><li>Saves time</li><li>Improves data accuracy</li><li>Enables office staff to make real-time decisions</li></ul>
<b>FULLY ENCRYPTED</b>	Data is captured and stored through a fully encrypted channel	<ul style="list-style-type: none"><li>Greater levels of data security</li><li>Flexibility around changes to data i.e. is data 'locked down' or accessible/amendable in the future</li></ul>
<b>SUPPORT</b>	Fully supported by Cognito iQ	Our highly trained team of Cognito iQ support engineers are here to provide you with round the clock technical support
